

HONORARIUM QUOTE AGREEMENT
MARJERISON MUSIC

Greetings Event Director/Coordinator,

We are so excited to partner with you for your event. Below you will find Steven's suggested honorariums for specified programs. While honorariums are negotiable, travel and accommodations (along with Steven's Rider requests) are not. Travel can include but is not limited to air fare, car rental, and or mileage. There will be a Non-Negotiable/Non-Refundable deposit of \$500 due 90 days before your scheduled event.

Upon receiving this Honorarium Quote Agreement, you will also receive an additional PDF. In that PDF is Steven's Rider for every and all events that he participates in. Although there is a sample of Steven's Rider on his website, some events have separate Riders due their unique requirements. We encourage you to look through the sample and feel free to ask questions during your scheduled phone call since not all requirement guidelines may fit your performance/program needs. We want to be intentional about your time and resources, so please make sure to ask questions.
